HPL Laminat

Langtidsholdbar facadebeklædning med lav drift og vedligehold

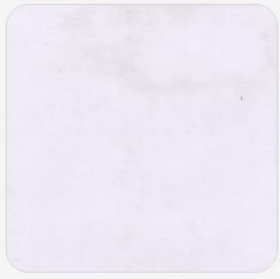

Crown Laminate er en verdensførende producent af laminat siden 1978, med centrallagre flere steder i Europa.

Facadepladen er slidstærkt, uorganisk, ekstra UV-beskyttet med minimalt vedligehold og er derfor velegnet til klimaskærme til det nordiske klima.

Standardtykkelsen er 6 mm og monteres som ventileret facade med et monteret underlag cc/600 mm.

Crown Laminate fordele:
